HP 20kd 49.53 cm (19.5") Monitor

Desirable quality. Smart savings.

With a sleek design and 1440x900 resolution[1], this affordable monitor delivers high-quality visuals at an irresistible price. Now you can enjoy a big screen view of your documents, photos, and movies without breaking the bank.

Feature-rich. Value-packed.
- With an IPS panel, VGA and DVI inputs, WXGA+ (1440x900) resolution, and a 6000000:1 dynamic contrast ratio, enjoy crisp, clear quality at impressive viewing angles.[1]

Liberate your desk space
- Help keep your work space organized and clutter-free with a compact, eye-catching design and internal power supply that eliminates the need for a bulky power brick.

The greener choice
- Designed with a mercury-free backlight and arsenic-free glass, this ENERGY STAR® certification[2] and EPEAT® Silver[3] registered display helps reduce power consumption to save on costs.

Featuring
- Adjust the screen to your personal preference with a 5° forward or 15° backward tilt.
- Get everything you need in one elegant package. Just one connection to the wall eliminates cable clutter. Slim design gives you more room for an enhanced computing experience.
- Extend protection beyond the standard limited warranty with 7 days per week support and expedited repairs. Rest easy with the confidence of reliable service and the ability to count on your technology.[5]
- Rest easy and work confidently with an HP standard 1 year limited warranty (vary by country). Certain restrictions and exclusions apply.[6]
